Mobil 1 Lube Express pays it forward this Remembrance Day

Lest we forget...

In remembrance of those who have fought, and those who have died, **Mobil 1 Lube Express** is proud to partner with you, our valued customers, to pay our respects...

And to honour all those who still fight the fight today and every day.

For the entire month of November, we will donate \$1 from every oil change package purchased at either of our *Langley or Richmond* locations, to the **Honour House Society**.

Together we can make a difference and say thank you for their outstanding service.

It feels good to get an opportunity to give back. You can see how much your help means right here:

<https://honourhouse.ca/>

And from November 7th to 10th...

ALL Veterans, military members, first responders (police, fire, paramedics), and Correctional Officers will receive a **FREE Basic Oil Change** at either of our **Langley or Richmond Mobil 1 Lube Express** locations.

This Remembrance Day 2016...

It is our distinct honour to offer our service as a token of appreciation for your exemplary service. We may never know the depth of the situations you have faced, and continue to face every day. We do know our lives are made better because of your tireless dedication to protecting our freedom and keeping us safe.

Simply present your ID upon arrival or point out your veterans plates when you drive in.

And remember, everyone that drives in gets great service that gives back all November long.

Buy any Conventional or Premium Oil Lube & Filter Package.

Regular oil changes are the most convenient and affordable thing you can do to extend the life of your car and save yourself from inconvenient breakdowns and repairs.

Get better gas mileage and extend the life of your engine, while enjoying continued reliability and freedom.

Many automakers **require** owners to use **synthetic motor oil** in their cars. When your vehicle needs **high-performance, high-mileage, entry grade or semi-synthetic oil**, we've got you covered.

\$1.00 of every package purchased automatically helps the Honour House !

It's a great time for the whole family to have all vehicles serviced.
